Important Travel Information to Qambathi Mountain Lodge

Note: The roads to Qambathi are not suitable for sports cars or vehicles with low clearance. If you're uncertain about your route, please don't hesitate to give us a call.

From Durban via the Kamberg Road:

This route has significant potholes and extensive roadworks.

1. Travel northbound on the N3 and take the Nottingham Road off-ramp (Exit 132).
2. Turn right and head towards Nottingham Road village.
3. Continue through the village, keeping right under the railway bridge, and proceed towards Rosetta (R103), which is 8km away.
4. In Rosetta, turn left onto the Kamberg Rock Art Centre Road and continue for 29.2km.
5. Turn left onto Mpfana Road, signposted Kamberg Rock Art Centre and Qambathi.
6. After 2km on the dirt road, you'll find Qambathi on your right.

From Durban via Lower Lotheni:

Most of this route is on new tar, but the last 15km is a mostly good gravel track. It's passable for most vehicles, but during the wet summer months, we recommend a high-clearance vehicle.

1. Take the N3 and turn off at the Nottingham Road off-ramp (Exit 132).
2. Continue into Nottingham Road village, passing under the railway bridge.
3. Proceed through Nottingham Road on the R103 for approximately 1.2km, then turn left onto the Lower Lotheni Road at the Nottingham Road Police Station.
4. Travel along this road for approximately 28km until you see signs for Kamberg.
5. Turn right onto the dirt road.
6. Continue along this road for approximately 13.3km (you'll pass through two gates marked "Maloti Drakensberg World Heritage Site"; the road will briefly change to tar before returning to dirt).
7. After 13.3km, turn right at the T-junction, cross the Mooi River bridge, and continue up the hill until you reach Qambathi Mountain Lodge on your left, just before the Kamberg Road.

Coordinates:

- Latitude: -29.339695
- Longitude: 29.711573
- GPS: 29° 20' 23" S | 29° 42' 41" E

Alternative Routes:

If you're coming from the Northern parts of the Drakensberg, including Estcourt and Mooi River, several routes are available. These routes consist of a mix of tar roads (with many potholes) and dirt tracks. We recommend a high-clearance vehicle.
